HOW DO I GET ADMITTED?

Since each situation varies, we advise that you first call Roxbury's admission department at 717-530-2206. Our clinical staff is available 24 hours per day and can further assist you with the process. If your loved one is scheduled for admission, we require a parent or guardian to accompany them as part of our admissions process. This helps our clinical team gather pertinent information that will help us in determining the best approach to care.
