

ADULT INPATIENT SUBSTANCE USE DISORDER PROGRAM

Roxbury Treatment Center has been providing inpatient substance use services for over 35 years and specializes in the treatment of co-occurring mental health disorders. We believe by addressing both addiction and mental health needs together our patients receive better outcomes.

DETOXIFICATION PROGRAM

- Detoxification services conducted under close medical supervision
- Comfort medications provided to alleviate symptoms related to the withdrawal process
- Medical assessment and care provided 24-hours daily

SMART RECOVERY

- SMART Recovery groups daily in addition to AA/NA as an alternative
- Empowers patients to make and own their choices and decisions
- Recovery model is evidence based with clinical outcomes
- SMART Recovery principles incorporated throughout treatment

HOW DO I GET ADMITTED?

Referrals can be made by calling our admissions department at 717-530-2206. Our clinicians are available 24 hours a day and can assist you with the process.

INSURANCE AND PAYMENT OPTIONS

Roxbury is in network and contracts with nearly all managed care organizations including TRICARE®. In addition, we accept Pennsylvania Managed Medicaid and are contracted with several counties throughout the state. Please call our admissions department for specific coverage related to your insurance plan.

TRICARE® is a registered trademark of the TRICARE® Management Activity. All rights reserved.

Roxbury provides impartial access to treatment regardless of race, religion, color, sex, age, national origin, or disability.
